

ENDO
DUBAI 2019

FEBRUARY 21ST, 22ND & 23RD

FOURTH INTERNATIONAL EDITION

INTERCONTINENTAL HOTEL • FESTIVAL CITY • DUBAI, UAE

PELVIC PAIN SOLVING THE PUZZLE

SHIFT YOUR SURGICAL AMBITIONS TO **SURGICAL ACTION**

Since its first edition in 2016, **ENDO Dubai** has become a leading platform for the exchange of scientific and clinical information on Minimally Invasive Gynecologic Surgery.

As **ENDO Dubai** concentrates in 2019 on the critical topic of Pelvic Pain, **ENDO Dubai** extends its focus to colorectal surgery. Gynecologic and Colorectal Surgeons both play an important role in addressing Pelvic Pain and close collaboration is often required to deliver better patient outcomes. Over the course of 3 days, sessions and workshops will explore innovative gynecologic and colorectal surgery strategies to tackle Pelvic Pain.

“

“Since its first edition organized by MIS Academy in 2016, ENDO Dubai has become a leading platform for the exchange of scientific and clinical information on Minimally Invasive Gynecologic Surgery.” - Pr Arnaud Wattiez

PELVIC PAIN SOLVING THE PUZZLE

Surgical Video Marathon **LIVE!**

Top surgeons will demonstrate full or partial procedures that will be relayed through real-time video feed or live procedures and commented step-by-step on site. This is the best place for a surgeon to get the practical answers needed to enhance his daily practice.

Hands-on sessions

Hands-on sessions will expose you to the main challenges faced during surgery and allow you to further improve your suturing skills.

Tutorials

Tutorials will provide you with practical advice that can be applied in daily practice on key procedures and topics.

Networking

Meet gynecologists, colorectal surgeons, general surgeons, endocrinologists, internal medicine practitioners as well as health administrators and legislators from around the world.

Presidents

Pr. Jacques Marescaux,
President and Founder of
